

HIGH HOLIDAY GREETINGS

YEAR 5772

Summer has just started and it is already time to think about the approaching of the High Holidays. This year Surf City Synagogue is initiating a new program that will give you the opportunity to send your personal Shanah Tovah greeting to your SCS friends and family.

Create your own message and it will appear as a special insert in our September Kol Tuv. It is a wonderful \fast and stress-free way of sharing your wishes for the coming year. Just select the size of the greeting and print your message exactly as you would like it to appear. We'll take care of the rest.

Please send or email your response form and payment to the SCS office no later than August 15th, to ensure that your greeting is included. (Surf City Synagogue, 9121 Atlanta Ave, #121, Huntington Beach, CA 92646)
